**Dr. Young H. Lee** and the staff of **Lee Aesthetic Dentistry** provide patients with a unique experience and the highest quality of oral care attainable by utilizing the latest technology and continued education. Each patient is served with courtesy and care in a comfortable and trusted environment.

Dr. Lee graduated with honors from the University of Florida College of Dentistry and has been in practice for over twenty years. He is a member of the American Academy of Cosmetic Dentistry, and has attended advanced continued education courses including Pankey Institute, Spear's Education, Miami Implant Dentistry Continuum, American Orthodontic Society, and Bone and Soft Tissue Grafting course at the Medical University of South Carolina.

Dr. Lee's specialized services include full mouth reconstruction, implants, Invisalign, porcelain veneers and laser oral surgery.

Dr. Lee serves the community outside of his dentistry practice and is a volunteer at the I.M. Sulzbacher Center for the Homeless. His excellence in dentistry, combined with the personalized service and quality care in a relaxed environment are a few of the reasons patients continue to choose Lee Aesthetic Dentistry and recommend Dr. Lee to their family and friends.
